Dear Sirs:

Our organization is interested in acquiring the publication
"Toward a systematic approach to environmental impact review,"
by H.S. Baumgold and G.A. Bok, which your institute prepared
for the New York State Department of Environmental Conservation.

Could you please advise as to the cost of this publication or,
if it is free, send us a copy, or several copies if you can
spare them.

If this publication is available from the New York State
government rather than from yourselves, please advise of just
where to write to obtain it.

Thank you very much.

Yours sincerely,
