Director,
Distribution Section,
U.S. Geological Survey,
1200 South Eads Street,
Arlington, Virginia 22202,
U.S.A.

Dear Sir:

Our organization is interested in acquiring some copies of a U.S. Geological Survey (Circular 645) that was developed and sponsored by your Department of the Interior in 1971 for purposes of environmental impact assessment.

We would also appreciate receiving any updates of this matrix method that have been developed by your Department since 1971.

Yours sincerely,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION

Joe Castrilli
