Dear Mr. Vigod:

Representatives of several environmental groups have requested that we reschedule the meeting regarding the S Area Landfill. To avoid conflicts and to select a convenient meeting date, therefore, the meeting will be postponed. We plan to reschedule the meeting to be held in the evening, some time after June 30. I would appreciate receiving a telephone call or letter from you giving me the dates which would be most convenient for you, so that the best date for the meeting can be selected.

Thanks for your cooperation.

Very truly yours,

Lorelei J. Borland
