Toby
RECEIVED MAY 2 2 1984

Ms. Toby Vigod
Canadian Environmental
Law Association
Toronto, Ontario M5J 1R2

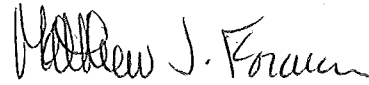

Dear Ms. Vigod:

The document listed below is now available for public review at the Environmental Protection Agency (EPA) Public Information Office, 706 Ninth Street, Niagara Falls, New York and at New York State Department of Environmental Conservation (DEC), 600 Delaware Avenue, Buffalo, New York.

-Report from New York State Department of Health, Bureau of Toxic Substance Assessment dated April 6, 1984 (received April 30, 1984) entitled Hyde Park Landfill Past Particulate Migration (PPM) Study Phase I - Interim Report.

This document is provided for your inspection to help keep you informed of activities at the Hyde Park Landfill. We welcome your comments.

Sincerely,

Matthew J. Forcucci
