Attention: Toby Vigod, Counsel

Dear Ms. Vigod:

Further to our letter of February 20, 1984, the Advisory Committee has been formally advised by the Ministry of the Environment that the Minister has received a request from the Regional Municipality of Halton for an exemption from the Environmental Assessment Act for the continued operation, maintenance and closure of the Burlington landfill site.

The matter of when the Advisory Committee's report to the Minister on Municipal Landfill Site Expansions will be made public and the matter of the Advisory Committee's role with respect to orders under section 34 of the Environmental Assessment Act are both still pending. I will write you again when I have more information.

Yours very truly,

Marie Corbett, Q.C.,
Chairman
