

RECEIVED SEP 19 1984

US EPA PUBLIC INFORMATION OFFICE
706 Ninth Street • Niagara Falls, NY 14301

September 12, 1984

Ms. Toby Vigod
Canadian Environmental
Law Association
243 Queen Street West, 4th Floor
Toronto, Ontario M5V 1Z4

Dear Ms. Vigod:

The document listed below is now available for public review at the Environmental Protection Agency (EPA) Public Information Office, 706 Ninth Street, Niagara Falls, New York and at New York State Department of Environmental Conservation (DEC), 600 Delaware Avenue, Buffalo, New York.

-Letter from Ogg (EPA) and Nosenchuck (DEC) to Nichter (OCC) dated September 5, 1984 transmitting Hyde Park Remedial Project - EPA/State Response to OCC Proposal for Requisite Remedial Technology (RRT).

This document is provided for your inspection to help keep you informed of activities at the Hyde Park Landfill. We welcome your comments.

As a reminder, there is a public meeting scheduled for 7:30p.m., Thursday, September 20, 1984 at the Power City Lodge No. 158, 2287 Delaware Avenue, Niagara Falls, NY to discuss issues concerning the Hyde Park Landfill.

Sincerely,

Matthew J. Forcucci
