Dear Dr. Boldrini:

RE: Regional Municipality of Halton - Proposed
Landfill Site - Consolidated Hearing

Thank you for your letter dated March 10, 1987 regarding the above hearing.

As you are aware, the hearing is scheduled to commence on May 5 in Oakville. Formal Notice of the hearing will be sent out at the end of this week. At this time the Board does not intend to hold a pre-hearing conference. However, if parties wish to meet informally between themselves, they are at liberty to do so.

At the commencement of the hearing, the order of witnesses will be considered by the Board, and any submissions may be made at that time.

Every effort is made to ensure that all interested parties are included on the circulation list which was developed subsequent to the presentations made at the Preliminary meeting. The Board goes to great lengths to ensure the public hearing process is carried out in the most efficient and informed manner and welcomes constructive input from the public.

Yours truly,

Y. Lane
