RE: CBA Sustainable Development Action Plan (SDAP)
Draft Issue Papers

The CBA's SDAP will be getting plenty of attention in March. CBA President, John Jennings, has been confirmed as a plenary session speaker at the Globe '90 conference held in Vancouver the week of March 19, 1990. Mr. Jennings will use this opportunity to describe the SDAP to a wide range of conference participants.

I would like to remind you that the deadline of March 15 for draft issue papers is almost upon us. If you anticipate a significant delay in submitting your paper please let me know.
