RE: NIAGARA RIVER TOXICS MANAGEMENT PLAN - 1990 UPDATE

At the September 19, 1990 meeting of the Niagara River Coordination Committee, the Niagara River Toxics Management Plan Secretariat presented the "1990 Update". The document, which contains an overview of the activities to date undertaken pursuant to the Plan, as well as a work plan for upcoming and ongoing activities, was approved by the Coordination Committee at that time. A copy is attached for your information.
