Dear Ms. *Sarah* Miller:

Thank you for renewing your Great Lakes United membership! We greatly appreciate the support and involvement of our members. Together we have proven that citizens can effectively shape environmental policy and practice in the Great Lakes-St. Lawrence River ecosystem.

We are proud of our efforts to ensure that the Great Lakes - St. Lawrence River ecosystem is restored and protected. We hope that in the year to come we can have further success in that challenge.

Enclosed you will find your updated Great Lakes United membership card. We will continue to keep you informed about critical Great Lakes issues and projects through our quarterly newsletter and action updates.

Please feel free to call or write if you have any questions, comments or suggestions. We value your input and would be pleased to hear from you!

Again, on behalf of Great Lakes United board members and staff, thank you for your continued support. You are an important part of this coalition and your commitment is truly appreciated.
