Dear Mr. Lindgren and Ms. Miller:

I am writing in response to your letter of November 10, 1993 concerning the MISA Draft Regulation for the Metal Mining Sector.

In the next few weeks, ministry staff will summarize all public comments made on this issue, assess their impact, and make recommendations. Based on these recommendations, the ministry will formulate the regulation. I will be reviewing all this information personally, and your concerns will be noted in our deliberations.

The final metal mining sector regulation will then be submitted to Cabinet for approval prior to being promulgated. Thank you for taking the time to write to me with your comments and recommendations.

Yours sincerely,

C.J. (Bud) Wildman
Minister
