Dear Ursula,

Thank you for agreeing to be part of the events celebrating the 25th Anniversary of the Canadian Environmental Law Association. I'm sorry it's taken us so long to organize this after our original planning meeting. We had a very hard time finding a venue that was affordable. We have decided to use a local neighbourhood restaurant for a more modest and intimate event than we first discussed. We hope to have about 100 friends attend. While we don't yet know what the new Ontario will hold for us, it's clear we will be facing budget cuts with everyone else along with potential erosion of our mandate.

You'll be pleased to know that Linda McQuaig has also agreed to join us as a speaker. I have enclosed some invitations for you to invite friends you think might be interested in the evening. Michelle Swenarchuk will be contacting you in early September to discuss final arrangements with you.

We are all looking forward to this gathering of friends and to the opportunity it gives us to reflect on what the future might hold for environmental protection and advocacy. Please call me at 960-2284 if you have any questions or suggestions.

Yours truly,
Canadian Environmental Law Association

Sarah Miller
