Dear J. Alexander Houston,

Re: Change of Project Recipient

Thank you for the grant from your Environment Program to continue our study of environmental assessment. We have had to return your cheque as it was made out to the incorrect recipient. Your letter makes reference to the grant agreement provided to you by Paul Muldoon.

That agreement is between the recipient of the grant, the charitable foundation, the Resource Library for the Environment and the Law and the sub-contracting organization, the Canadian Environmental Law Association. In order for the charitable foundation to issue the letter to you, the cheque will need to be reissued to the Resource Library for the Environment and the Law.

We are very sorry for any inconvenience this causes for you and your staff. Warm regards for the new year.

Yours truly,
Resource Library for the Environment and the Law

Sarah Miller
Treasurer
