STATEMENT OF ACCOUNT N° 3

Re: **Environmental Assessment Project** (my file no. 1946)

For all services rendered by me with respect to work performed on the CELA-RLEL Environmental Assessment Project during the period from February 9 to April 27, 2001 inclusive, including 1 attendance at CELA's offices, telephone interviews with P.Muldoon, R.Lindgren, F.Leon and K.Keenan.

To continuation of research for Phase 1 report, including collecting materials (including vol.1 and some parts of vol.2 of the Gibbons report on the MOE, *Managing the Environment - a Review of Best Practices*), attending at Laskin Law Library (Faculty of Law, University of Toronto) on February 18th and 19th re Bill 119 (most recent *Red Tape Act*).

To drafting preface for article on Ministerial issue scoping and deadlines, forwarding to P.Muldoon and R.Williams (editor of *Journal of Environmental Law and Practice*) for review, discussing same with both of them and revising; arranging with F.Leon for French translation; receipt of galley proofs from Carswell and editor's instructions, discuss

same with editor A.Ireland; to review and edit of galleys (including retrieval of closed *Adams Mine* JR file from storage), prepare and submit written comments, receipt of editor's response and submitting final reply to her.

To communications with Advisory Committee members (G.Patterson, S.Rowe, and D.Shatil), distributing additional copies of survey form, including at annual meeting of the Ontario Association for Impact Assessment (OAIA) on April 12th; to communications with outside sources on EA practice and survey; attending at OAIA meeting to hear presentation and discussion about recent developments re the *Canadian Environmental Assessment Act*, and to discussing our EA project with some members.

To receipt of notice of additional R&D funding by CEAA (Canadian Environmental Assessment Agency), reviewing new documentation re terms of reference and previous grants awarded; to obtaining through F.Leon copy of CEAA's rejection letter of CELA's earlier application, and sending comments to P.Muldoon recommending that no application be submitted by CELA.

To receipt and review of MOE's 3 draft guidance documents (on Terms of Reference, Public Consultation, and Mediation), prepare for and attend at MOE EAAB (Environmental Assessment and Approvals Branch) all-day workshop on March 6th where 3 documents explained and discussed; to advising R.Lindgren and P.Muldoon thereafter; to reviewing R.Lindgren's draft submission on the 3 documents, and providing comments and suggestions; to review of final text of CELA's submission; to providing review and comments for draft commentary on Public Consultation guideline prepared and submitted by Environmental Studies graduate students at York University.

And to all further attendances, telephone calls and written communications (email, correspondence, fax) totalling 39 items sent and received.
