15.1 (1) The Act is amended by adding the following section:

Permission for development, zoning order

28.0.1 (1) This section applies to any application submitted to an authority under a regulation made under subsection 28 (1) for permission to carry out all or part of a development project in the authority's area of jurisdiction if,

- (a) a zoning order has been made by the Minister of Municipal Affairs and Housing under section 47 of the *Planning Act* authorizing the development project under that Act;

- (c) such other requirements as may be prescribed are satisfied.

Definition

(2) In this section,

“development project” means a development project that includes any development as defined in subsection 28 (25) or any other act or activity that would be prohibited

under this Act and the regulations unless permission to carry out the activity is granted by the affected authority.

Permission to be granted

(3) Subject to the regulations made under subsection (35), an authority that receives an application for permission to carry out all or part of a development project in the authority's area of jurisdiction shall grant the permission if all of the requirements in clauses (1) (a), (b) and (c) are satisfied.

Same

(4) For greater certainty, an authority shall not refuse to grant permission for a development project under subsection (3) despite,

- (a) anything in section 28 or in a regulation made under section 28; and
- (b) anything in subsection 3 (5) of the *Planning Act*.

Conditions prescribed by regulations

(5) A permission granted under this section is subject to such conditions as may be prescribed.

Conditions specified by authority

(6) Subject to subsection (7), an authority may attach conditions to the permission, including conditions to mitigate,

- (a) any effects the development project is likely to have on the control of flooding, erosion, dynamic beaches or pollution or the conservation of land;
- (b) any conditions or circumstances created by the development project that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property; or
- (c) any other matters that may be prescribed by regulation.

Hearing

(7) An authority shall not attach conditions to a permission unless the applicant for the permission has been given an opportunity to be heard by the authority.

Reasons for conditions

(8) If, after holding a hearing, an authority grants the permission subject to conditions, the authority shall give the holder of the permission written reasons for deciding to attach the conditions.

Request for Minister's review

(9) The holder of a permission who objects to the conditions proposed in the reasons given under subsection (8) may, within 15 days of the reasons being given, submit a request to the Minister for the Minister to review the proposed conditions, subject to the regulations.

Minister's review

(10) Within 30 days after receiving a request under subsection (9), the Minister shall reply to the request and indicate in writing to the holder of the permission and the authority whether or not the Minister intends to conduct a review of the authority's decision. Failure on the part of the Minister to reply to a request within the 30-day period is deemed to be an indication that the Minister does not intend to review the authority's decision.

Same

(11) If a reply given under subsection (10) indicates that the Minister intends to conduct a review, the Minister may in the reply require the holder of the permission and the authority to provide the Minister with such information as the Minister considers necessary to conduct the review.

Information

(12) The holder of the permission and the authority shall submit to the Minister such information as was specified in the reply given under subsection (10) within the time period specified in the reply.

Conferring with persons, etc.

(15) Before making a decision with respect to a review, the Minister may confer with any person or body that the Minister considers may have an interest in the review.

Minister's decision

(16) After conducting a review of an authority's decision, the Minister may confirm or vary the conditions that the authority proposes to attach to a permission granted under this section, including removing conditions or requiring that such additional conditions be attached to the permission as the Minister considers appropriate.

Same

- (17) In making a decision under subsection (16), the Minister shall consider,
- (a) effects the development project is likely to have on the control of flooding, erosion, dynamic beaches or pollution or the conservation of land;
 - (b) conditions or circumstances created by the development project that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property; or
 - (c) any other matters as may be prescribed by the regulations.

Decision final

- (18) A decision made by the Minister under subsection (16) is final.

Appeal

(19) The holder of a permission who objects to the conditions proposed by an authority in the reasons given under subsection (8) may, within 90 days of the reasons being issued, appeal to the Local Planning Appeal Tribunal to review the conditions if,

 - (ii) the Minister made a reply in accordance with subsection (10) indicating that the Minister refused to conduct the review.

Same

(20) If the Minister indicates in a reply given under subsection (10) that the Minister intends to review an authority's decision and the Minister fails to make a decision within 90 days of giving the reply, the holder of the permission may, within the next 30 days, appeal the conditions proposed by the authority directly to the Local Planning Appeal Tribunal.

Notice of appeal

(21) Notice of an appeal under subsection (19) or (20) shall be sent to the Local Planning Appeal Tribunal and to the authority by registered mail.

Hearing by Tribunal

(22) The Local Planning Appeal Tribunal shall fix a date for a hearing of an appeal under subsection (19) or (20), give notice to all interested parties and give all necessary direction for the hearing.

Powers of the Tribunal

(23) The Local Planning Appeal Tribunal has authority to hear evidence and to confirm, vary, remove or add to the conditions attached to the permission as the Tribunal considers appropriate.

Agreement

(24) An authority that grants permission for a development project under this section shall enter into an agreement with respect to the development project with the holder of the permission and the authority and holder of the permission may agree to add a municipality or such other person or entity as they consider appropriate as parties to the agreement.

Content of agreement

(25) An agreement under subsection (24) shall set out actions or requirements that the holder of the permission must complete or satisfy in order to compensate for ecological impacts and any other impacts that may result from the development project.

Limitation on development

(26) No person shall begin a development project until an agreement required under subsection (24) has been entered into.

Period of validity of permission and extension

(27) A permission granted by an authority under this section may be granted for a period of time determined in accordance with the rules that apply to permissions granted by authority under a regulation made under subsection 28 (1) and may be extended in accordance with the rules for extending permission set out in those same regulations.

Offence

- (a) a condition of a permission granted under this section; or
- (b) subsection (26).

Penalty

(29) A person who commits an offence under subsection (28) is liable on conviction,

- (a) in the case of an individual,
 - (i) to a fine of not more than \$50,000 or to a term of imprisonment of not more than three months, or to both, and
 - (ii) to an additional fine of not more than \$10,000 for each day or part of a day on which the offence occurs or continues; and
- (b) in the case of a corporation,
 - (i) to a fine of not more than \$1,000,000, and
 - (ii) to an additional fine of not more than \$200,000 for each day or part of a day on which the offence occurs or continues.

Monetary benefit

(30) Despite the maximum fines set out in clauses (29) (a) and (b), a court that convicts a person of an offence under subsection (28) may increase the fine it imposes on the person by an amount equal to the amount of the monetary benefit that was acquired by the person, or that accrued to the person, as a result of the commission of the offence.

Rehabilitation orders

(31) In addition to any penalty under subsection (29) or any other remedy or penalty provided by law, the court, upon convicting a person of an offence under subsection (28), may order the convicted person to,

- (a) remove, at the convicted person's expense, any development within such reasonable time as the court orders; and

Non-compliance with order

Liability for certain costs

(33) The person to whom an order is made under subsection (31) is liable for the cost of any removal, repair or rehabilitation arranged by an authority under subsection (32), and the amount is recoverable by the authority by action in a court of competent jurisdiction.

Conflict

(34) If the conditions in a permission granted under this section conflict with the terms of a zoning order made under section 47 of the *Planning Act*, the terms of the zoning order shall prevail.

Regulations, Minister

(35) The Minister may make regulations,

- (a) prescribing requirements for the purposes of clause (1) (c);
- (b) governing permissions granted under this section including,

 - (ii) specifying the time within which agreements are to be concluded and signed;
- (e) exempting lands or development projects from this section or from a part of this section or the regulations made under this section, including from the requirement to enter into an agreement under subsection (24) or from including any provision of an agreement that is prescribed by a regulation under clause (d);
- (f) respecting anything that is necessary or advisable for the effective implementation or enforcement of this section.

Regulations, Lieutenant-Governor in Council

(36) The Lieutenant-Governor in Council may make regulations governing Minister's reviews requested under subsection (9) and appeals under subsections (19) and (20) and specifying circumstances in which a review may not be requested or an appeal may not be made.
